

### Remarks

In the Office Action dated May 19, 2003, a restriction requirement was imposed. In particular, the Office Action states that pending claims 1-9 and 13 (Group I) and claims 10-12 (Group II) relate to an independent and distinct inventions. In particular, the Examiner stated that Group I relates to an apparatus for securing a hub to a shaft, and Group II relates to a method for fixedly indexing a calibrated throttle valve to the swing arm of a calibrated position sensor.

Applicants hereby elect pending claims 1-9 and 13 (Group I) for further prosecution in this application. Therefore, Applicants have canceled claims 10-12 (Group II) without prejudice or disclaimer and reserve the right to file a continuing application directed to the subject matter of the non-elected claims prior to the issuance of a patent on those claims elected for further prosecution at this time.

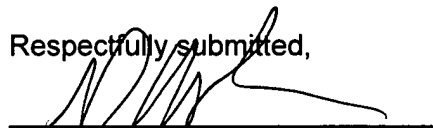

The claims now pending in the application, namely claims 1-9 and 13, are in condition for allowance and such allowance is respectfully requested. However, should the Examiner feel that unresolved issues remain in the case, the undersigned may be contacted at (585) 262-3640 to arrange for an issue resolving conference.

Applicants do not believe that any fee is due at this time, however, the Commissioner is hereby authorized to charge any fees that may have been overlooked, to Deposit Account No. 50-0831, DELPHI TECHNOLOGIES, INC.
